# Wood & Metal Matt, Eggshell & Gloss

<b>General</b>	<p>A good quality white waterbased topcoat for wood and metal substrates which is suitable for internal and external use.</p> <p>Formulated to resist moisture, staining and general wear and tear.</p> <p>Available in three sheen levels.</p>		
<b>Product Code / Sheen</b>	Wood & Metal Matt	50 100 0015	3% Sheen
	Wood & Metal Eggshell	50 100 0010	20% Sheen
	Wood & Metal Gloss	50 100 0005	75% Sheen
<b>Technical Data</b>	<p>These are water-based acrylic topcoats for use on timber and metal substrates. They replace the old oil based products, but with no compromise on performance. They are suitable for interior (including kitchens and bathrooms) and exterior use. The product's speed of dry allows for two coats to be applied in one day. The products are low odour and environmentally friendly. They have excellent coverage properties. They also have good non-yellowing properties. They offer excellent resistance to mechanical damage. They are completely washable. These topcoats are available in white only from stock, but may be tinted to a colour on request.</p>		
<b>Application</b>	<p>Stir well before use.</p> <p>Do not use in extremes of temperature.</p> <p>These products are formulated for brush or roller application.</p> <p>They must be used over a primer.</p> <p>On timber substrates apply over Mylands Wood Primer and Undercoat.</p> <p>On metal substrates apply over Mylands Metal Primer and Undercoat.</p>		
<b>Drying Time</b>	<p>Touch dry: 2 - 3 hours.</p> <p>Recoat time: 3 - 4 hours.</p>		
<b>Coverage</b>	<p>The coverage should be an average of 14 m<sup>2</sup> per litre.</p>		
<b>Thinners</b>	<p>Should it be deemed necessary to thin, water should be used up to a level of 10%.</p>		
<b>Equipment Cleaning</b>	<p>Wash brushes/rollers in warm water containing a little detergent immediately after use.</p>		
<b>Packaging</b>	<p>These products are available in 1 litre and 2.5 litre containers.</p>		
<b>Storage</b>	<p>This product must be protected from frost.</p> <p>Store at temperature above 5°C.</p> <p>Use within 12 months.</p>		
<b>Health &amp; Safety</b>	<p>Refer to Mylands MSDS before use.</p>
